Severe Weather Outlook Thursday, June 08, 2017

Hazardous Weather

It will be another warm day with periodic storm chances. While there will be a few lingering storms after this morning's round, it won't be until after 7 PM that we see our best storm chances across the area. Some storms may become strong to marginally severe

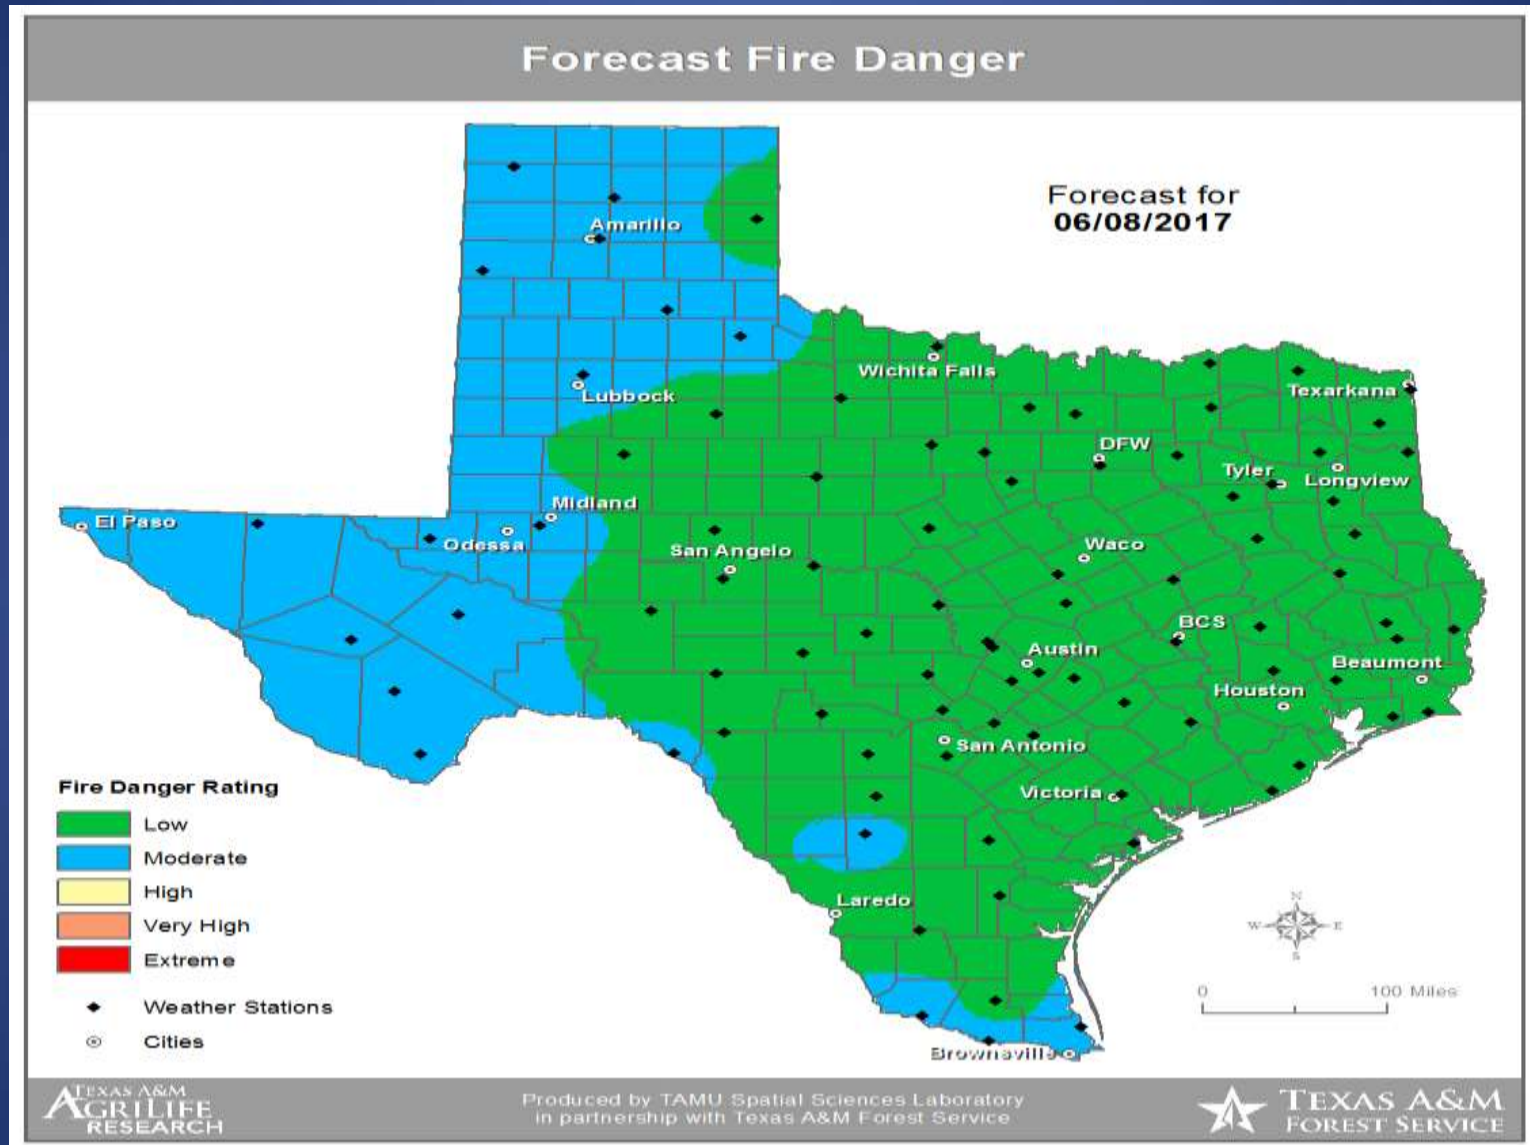

A few thunderstorms may develop this afternoon and evening, with additional thunderstorms possibly affecting the Big Country after midnight. Isolated large hail and strong winds will be possible.
